

Roller Girl Gang

Social Story: Visiting the Roller Girl Gang Shop

Roller Girl Gang is located in the Corn Exchange.

This is the Roller Girl Gang Shop.

This is inside the shop.

One of our team will be here to meet you.

You can look around the shop.

The team will ask which roller skates you like and what your shoe size is.

When you are ready to try on roller skates, you can sit down on a bench inside the shop and take off your shoes.

You can try on as many pairs of roller skates as you would like.

You can put your shoes back on while we pack roller skates.

Feel free to have a look around the shop.

Meet us at the counter to buy skates and any other goodies you would like to buy at the till.

We give you your skates in a brown paper bag.

We look forward to seeing you soon. If you have any questions or would like any more information please email us at: shop@rollergirlgang.co.uk

Sensory Profile

Auditory:

The corn exchange is a very old, large building. It can be loud as sounds echo on the main concourse. Our shop usually has music playing and you will sometimes find us building skates. This can be loud as we use drills.

How can we help: We offer quiet appointments during our shop's usual closing hours. During this time the corn exchange will have less people and will therefore be quieter. We will turn off our music during appointments and will not build skates during the appointments to allow for a calmer quieter in the shop.

Ear defenders are welcome!! If you would like to wear ear defenders to have a better experience, please feel free.

Visuals:

The shop is lit using bright wall lights, during appointments we are happy to have these switched off for you to make your experience more comfortable. You are also very welcome to wear sunglasses if this helps!

We recognise that within our small shop space, there is a lot to see and lots of bright colours. This can be overwhelming. If you would prefer to meet us on a bench just outside the shop on the concourse to be in a more open space, please let us know.

Please take your time, during appointments, we are here to help. If you need time to go away and have a think that is absolutely fine. There is never pressure to make a purchase during an appointment.

Smells:

If you are sensitive to smell, please let us know and we will make sure we do not use strong air fresheners or light scented candles just before your appointment.

Please ask us any questions you have either in person or email us at shop@rollergirlgang.co.uk and we will also do our best to help if we can.
